

Elevate Your Challenges with Blueprint Agencies

Let Blueprint Agencies help with the design and print of the Challenge Cards

OCTE has partnered with [Blueprint Agencies](#), a marketing firm in Paris ON, to offer a centralized printing service for the Challenge Cards.

The cards are durable, wipeable and can be re-used. Provided by Blueprint, the cards are:

- 3.75" x 6"
- Printed on 12pt gloss card stock
- Laminated
- Single-hole punched at top-centre of each card to facilitate book rings (not included)
- Printed in full sets of each of the 10 BBT sectors; a total of 194 cards per set.

Customize the title cards with your board or school logo!

There is an extra cost for this; it will depend on the changes requested.

It is \$70 to print each set of cards. Ordering multiple sets may qualify for bulk discounts. Taxes and shipping are extra.
