Today I know …

Answer the questions based on your learning. Remember to always answer the WHY to these questions and give details. How did you know it? What more do you need to know? What connections do you make outside of school?

Yes	Maybe	Moving forward
• **I already know this** • **I have this skill** • **I was able to do this easily**	• **This is something I would like to know more about** • **This is something that I really liked doing** • **This is something that I would share with others so they know as well**	• **Who else might I be able to talk to about this in the community** • **Careers related to this that interest me are** • **How does this affect my daily life**
