Skilled Trades OYAP Assignment

The Ontario Youth Apprenticeship Program (OYAP) is an opportunity for students who are currently enrolled full time in a secondary school, with at least 16 credits, and 15 years of age or older, to try an apprenticeable trade through a high school cooperative education program.

In this activity we are going to explore the different types of OYAP Programs.

There are 2 parts to this activity and the learning is two-fold:

1. research what OYAP is

2. learn how OYAP can help certain careers

Complete all two parts using the websites provided.

Part 1: Click the OYAP link.

Information to find about OYAP	Your answer
What does OYAP stand for?	
What grades does OYAP start in?	
At what age can you enter into an OYAP program?	
High School Students have the opportunity to become registered apprentices and work towards becoming certified journeypersons in a skilled trade while completing their secondary school diploma.	True or False

Part 2: For this part of the assignment, you will need to search YOUR boards name on Google and the word OYAP to get to the proper location.
Example: HDSB OYAP Programs.

Examine Accelerated / Concentrated OYAP programs further.

Choose 2 different Concentrated OYAP Programs and fill out the chart.

-	OYAP Program Name: _____ Offered at High School Name: _____	OYAP Program Name: _____ Offered at College Name: _____
Location – Identify where the school is located and how far it is from your home. You may need to use google maps for this.		
What does this course focus on?		
Career Possibilities		
Based on the information you have gathered in the table above, which OYAP would you most likely choose and why?
