

CONFERENCE SPONSORSHIP & VENDOR OPPORTUNITIES

OCTE Conferences

**Technological Education Conference including
Annual General Meeting and Awards Banquet
May 9 - 11, 2024
Lamplighter Inn, London ON**

OCTE's spring conference "Embracing the Compulsory Tech Credit" is an opportunity for approximately 450 Technological Education teachers to network, share their expertise and learn from community partners and fellow teachers. This is also a perfect opportunity for organizations and community partners to showcase their products and services and ensure that Technological Education teachers are familiar with their brand and products. The focus of this conference will be to provide opportunities for Technological Education teachers and leaders to:

- experience projects that have been developed for the new mandatory Tech credit and other Tech courses
- share and learn from each other
- network with vendors and community partners
- celebrate Tech Ed successes and exemplary Technology Education teachers

**Fall Leadership Conference
Oct 6 -8, 2024
Fern Resort Orillia ON**

OCTE's fall conference will include approximately 225 Leaders from across the province in roles such as Technological Education, SHSM, OYAP and Experiential Learning. The focus of this conference will be to provide an opportunity for leaders:

- to learn about the resources that OCTE has prepared to enhance education
- to learn about supports that are currently being provided by our community partners
- to share their successes and challenges related to their roles and work together to find solutions
